ADMISSION REQUIREMENTS FOR UNDERGRADUATE APPLICANTS

As a top-tier research-intensive university in Canada and the largest university in the province of Saskatchewan, our school is the only English-speaking university in Canada with such a broad combination of human, animal and plant studies on one campus. Here, students from more than 100 countries work together with professors and researchers as they contribute to our world in more than 100 disciplines.

Minimal General Requirements for all programs:

For admission to the University of Saskatchewan, you must have a Secondary School Leaving Certificate (Academic stream) as well as at least one additional year of study at a post-secondary institution in your country.

Early Admission

You may apply for admission before you complete your first year of post-secondary study if you submit a current transcript and a list of courses you are currently taking. Conditional admission may be granted in these circumstances.

Transfer Credit

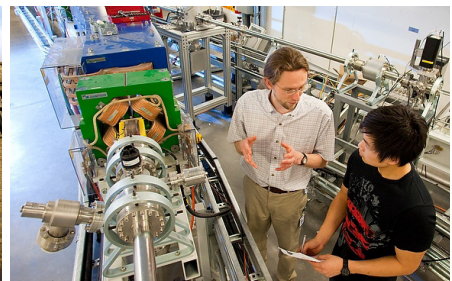

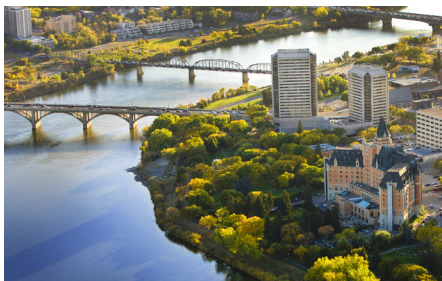

You may be eligible to receive transfer credit towards a degree for courses taken after your first year at a post-secondary institution in your country. To qualify, you must provide a course syllabus to the admissions office for review.

Proof Of English Proficiency

If your first language is not English, you are required to provide documents proving English proficiency prior to the deadline to submit supporting documents for admission. These documents must be sent directly to our office from the issuing authority.

College-Specific Requirements

In addition to the general requirement, you must present required subjects and have achieved a competitive average for your college of choice. The admission average will be based on your first year of post-secondary study. The required subjects for specific colleges must be presented at the post-secondary level. A course description may be requested to determine acceptability for admission purposes.

1. You may be admitted to some programs with a deficiency. Business, industrial arts, and technical education subjects are not acceptable for admission.

2. Admission averages shown here correspond to a 50% pass scale used at the University of Saskatchewan. Averages from other institutions will be converted according to the University of Saskatchewan grade conversion practices. The competitive averages should be used as a guideline, and do not guarantee admission.

The University of Saskatchewan reserves the right to make changes to admissions policies without notice.
