SASKATCHEWAN TRANSCRIPTS

Saskatchewan high school students must now request Grade 11, Grade 12 First Semester (after January exams) and final Grade 12 transcripts to be sent directly to the University of Saskatchewan by the Ministry of Education. This can be done by submitting a single form and paying only one fee. After arranging for your transcripts to be sent to uSask by the Ministry of Education, remember to email us a copy of your Grade 12 timetable to show which classes you will complete before you graduate.

*NOTE: these exceptions will only be calculated for the admissions average. They cannot be used towards an award average calculation.

In order to study some university-level courses, you are required to have completed certain high school classes.

FOR EXAMPLE:

- to study university-level biology, chemistry or physics, the Grade 12 (senior-level) course of the same subject is required.
- to study university-level calculus, Grade 12 (senior-level) pre-calculus or a university-level pre-calculus class is required.
